HISTORY/FACTS/ISSUES:

Governor Scott signed Executive Order Number 11-02 on January 4, 2011 which requires state agencies and their contractors (including County governments and their contractors under an MOU or Agreement with the state) to use the E-Verify system to verify employment eligibility of their employees.

For County governments this has been clarified as new employees. For our consultants and contractors it applies to those individuals who are assigned by that consultant or contractor who perform work pursuant to the contract with the state agency.

CR 476B was milled and resurfaced under a LAP agreement with FDOT as an ARRA project. While the project itself is complete and the construction contractor is not required to use E-Verify after the fact, employees of our consulting firm who worked on CR 476B or will work on it as we close out the paperwork, must be verified by E-Verify, as well as new County employees of any nature.

Please note that we will receive an additional similar supplemental agreement to apply E-Verify on the C 470N resurfacing project, as we close out their paperwork with FDOT.

Attached are the LAP Supplemental Agreement and companion resolution for signature, and a copy of the Executive Order 11-02 for reference.

This Employer Participates in E-Verify

This employer will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS), with information from each new employee's Form I-9 to confirm work authorization.

IMPORTANT: If the Government cannot confirm that you are authorized to work, this employer is required to provide you written instructions and an opportunity to contact SSA and/or DHS before taking adverse action against you, including terminating your employment.

Employers may not use E-Verify to pre-screen job applicants or to re-verify current employees and may not limit or influence the choice of documents presented for use on the Form I-9.

In order to determine whether Form I-9 documentation is valid, this employer uses E-Verify's photo screening tool to match the photograph appearing on some permanent resident and employment authorization cards with the official U.S. Citizenship and Immigration Services' (USCIS) photograph.

If you believe that your employer has violated its responsibilities under this program or has discriminated against you during the verification process based upon your national origin or

citizenship status, please call the Office of Special Counsel at 1-800-255-7688 (TDD: 1-800-237-2515).

NOTICE:

Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States.
